

# REDEMPTIVE COMPASSION

*Redemptive Compassion*<sup>®</sup> – A Study on Biblical Holistic Help by Lois Tupy  
([www.redemptivecompassion.org](http://www.redemptivecompassion.org))

Love INC is called to engage local churches in *Redemptive Compassion*<sup>®</sup>, which goes beyond traditional giving to engage both the giver and the recipient in the process of discovering solutions to life's challenges. *Redemptive Compassion*<sup>®</sup> partners with people to empower them to take part in overcoming the roadblocks in their lives. We believe the Church is the perfect catalyst to change how needs are addressed.

*Redemptive Compassion*<sup>®</sup> is achieved by:

- Praying for people
- Affirming their potential
- Offering asset-based, solution-focused approaches to their problems
- Restoration of their broken relationships

*Redemptive Compassion*<sup>®</sup> is a Biblical way to offer holistic help. It challenges conventional ways of addressing needs, and is based upon six core principles:

1. Everyone has value
2. We are called by God to invest relationally in each other
3. Everyone has capacity and potential
4. Mutual participation is important when meeting needs
5. We must use wisdom and discernment when helping people
6. What we do to help should transform lives
