

Ministry Update

May, 2020

Hello Ministry Friends,

We are open! Village Thrift and the Love INC business office reopened last Monday. We are following CDC guidelines and have implemented additional practices to keep everyone safe. It is wonderful to see all our regular shoppers again and many new faces. Come shop if you are able – we need your support now more than ever!

Volunteers were able to continue calling clients each week during the shutdown to connect and offer prayer. They were a wonderful support to those who were already hurting before the stay-at-home order started. We praise God for the wonderful people God sends to minister in His name through Love INC.

Special thanks to The Bearded Chef and City of Refuge Church who are partnering with us through our COVID-19 fund to deliver free, hot meals to the elderly, immune compromised, and those mandated to home quarantine. There have been 182 free meals provided so far!

Brandon Basista is The Bearded Chef.

Local food pantries are vital to our community, especially now. Our COVID-19 fund has purchased over \$2,000 worth of food so far for 5 different food banks and a community of migrant workers. Thank you to everyone that has donated to support this effort and to Cheney Brothers Food Service Distributors that gave those donated dollars greater impact through their wholesale pricing.

Help continue these relief efforts by donating to our COVID-19 fund - [GIVE HERE](#)

Welcome New Partners! Ready for Life Brevard, Life Oasis, and Rock Harbor Church. We are excited to see how God is going to use our partnership to further unite and change Brevard for Christ! We love and appreciate you, The Church, that makes this all possible!

Love INC Connection:

We are sharing our resources with other agencies by providing toiletries, food, feminine hygiene products, toilet paper, hand sanitizer, and homemade masks during this difficult time.

Can you meet the need?

We lost income through the closure of our thrift store due to COVID-19. If you are able, please donate to our general fund today to support helping those in need in our community.
