

Ministry Update

July, 2020

Hello Ministry Friends,

We pray you are doing well and keeping your eyes on Jesus as HE is our ultimate comfort.

We are sad to announce that **The Bearded Chef** has had to close his food service due to COVID; please keep him and his family in your prayers. He blessed many people with the 399 meals he prepared for our Give-A-Meal program. Also, thank you to **City of Refuge Church and Coastline Church** for delivering those meals.

We are redirecting this program to aid households under quarantine due to one or more member testing positive for COVID (and are displaying active symptoms). We will provide them with gift cards to a local grocery store that can deliver prepared food. If you know of anyone who needs this help or are an individual or representative of a church/organization who can help deliver gift cards, please contact Tangi Combs at tcombs@loveincbrevard.com.

Featured Client: A three generation veteran family greatly benefitted from the Give-A-Meal program while they were quarantined. We are continuing to help them with mental health counseling, dental assistance, and personal care items. Please pray for this family as we continue to journey with them.

If you need prayer, I would like to pray with you. Please reach out to me by calling or texting my personal cell at 321-243-8777.

We love and appreciate you, The Church, that makes this all possible!
