

# Ministry Update

October, 2020

Hello Ministry Friends,

Just as many of you are, we are in transition here at Love INC. In August, we said goodbye to long time staff member and my assistant, Denyse Olson. Denyse served the ministry faithfully and contributed so much to our foundation for 15 years, we miss her greatly!

Please join me in welcoming Alice Walden Kenyon as our new Operations Director. Alice has a master's degree in computer science and is a retired software systems developer. She also has 27 years of small business experience as co-owner of a security and fire alarm company started by her first husband. A long-time supporter of Love INC of Brevard within her church since 2003, she also served on the Love INC board of directors for six years.

Love INC

Uniting The Church to offer people in need...

**Hope  
Help  
and a  
Hand-up  
to freedom in Christ**

**A Hand Up during the Pandemic:** Love INC's Church Partners as well as dozens of individual supporters and local foundations donated over \$39,000 in assistance to people in Brevard County affected by COVID-19. Current initiatives include blessing families who are enduring positive cases with gift cards to Publix so they can order pre-made hot food and have it delivered.

**Contact us if you know of someone with this need.**

We have also used the Funds to feed people in Cocoa through Hunger Fight. A big Thank You Grace Church and The Real Church for your help in that effort!

**Upcoming Event - Join us!**

In partnership with WePrayBrevard, we are asking everyone to get together at their local polling site on **Sunday, November 1st, from 4pm-5pm** to pray for our local, state and national elections.
