

Ministry Update

January, 2021

Hello ministry friends,

Happy New Year! We are so grateful to each one of you for your ongoing support of uniting the church in Brevard County to transform lives in the name of Christ. We have added a new level of encouragement for everyone this year. Our weekly devotions from Love INC chaplain, John Maas, are now being recorded and shared on our Facebook page. Group Service Projects: Is your group, church, or business looking for ways to serve our clients? Group service project opportunities are now viewable on the Love INC of Brevard website. Simply fill out the form at the bottom of the webpage to express interest in one of the community service projects and our GAP Coordinator, Tangi Combs will be in touch with you to provide more details about the need.

Featured Client: We are journeying with a lady in her late forties who lost her job due to Covid and needed some assistance. Through our church-donated Covid funds, we were able to help with her electric bill. She states, "this lifted a huge burden off my shoulders." She now has a new job and even got a promotion within a short amount of time. We encouraged her to read through the Psalms, and we are working on connecting her to a church. The next step for her towards transformation is counseling to help her overcome anxiety and depression.
