

# Ministry Update

March, 2021

Hello Ministry Friends,

What an amazing CityFest weekend we had! God miraculously cleared the skies of rain and through all of the events over 2,000 people made decisions of rededication and first-time acceptance of Christ. Each of these that made decisions for Christ has been connected to a local church. Let's continue to pray that these fellow believers will grow deep in their relationships with Christ. Also continue to pray that the unity between churches, the marketplace, prayer, evangelism, and service that came out of the festival will continue to deepen and transform our county. For more recap details go to [www.spacecoastcityfest.org](http://www.spacecoastcityfest.org).

- **13,000** people came together for the Gospel
- **200** churches united
- **1,600** volunteers
- **800** decisions for Christ during festival week
- **more than 2,000** decisions for Christ over the past year

**Featured Client:** We are journeying with an older single gal who recently got out of an abusive marriage. We have helped her with food at Christmas and with auto repair. She is seeing one of our counseling partners for healing and just graduated from our budgeting class. She is making amazing progress but what is most exciting is that she attended the CityFest women's dinner along with her daughter and they **both rededicated their lives to Christ!!** She is experiencing true transformation and freedom in her life!

**Featured Partner:** We are grateful for our partnership with Hospitality Life, a local nonprofit organization that seeks to strengthen and support operators and employees of the hospitality industry to produce a more abundant life. They do this by providing helpful and generous resources, activities, and services. Love INC is proud to be partnering with Hospitality Life by providing client mentors and access to other resources to those facing various life difficulties such as financial hardship. Visit [www.hospitalitylife.org](http://www.hospitalitylife.org) to learn more and support this organization.

We love and appreciate you, The Church, that makes all this possible!
