

Ministry Update

A Look Back at August, 2021

Hello Ministry Friends,

God is doing a new work in Village Thrift! We say goodbye to Kathy Wilhite and Steve Llewellyn, who did amazing work to take our store to a whole new level both in structure and sales. We say hello to a new Transport Leader, Luis Benavides; two new cashiers, David Ollie and Debby Hutcheson; and a husband-and-wife team to lead our Donation Center, Marc and Tammy Bollhoefer! We are very excited to see the team growing and thriving, but we still have another critical hire to make. We are actively hiring for the Manager of Village Thrift. This is both a retail management and ministry opportunity.

Please help us spread the word about the Village Thrift Manager opening or apply here: www.loveincbrevard.com/employment

Featured Client: We celebrate the work God is doing in the life of a 60-year-old woman we have been journeying with for two years now. She has overcome much adversity, surviving breast cancer and an abusive relationship. Recently, she has secured a safer living environment by moving into the Still Waters House, a home for women in transition established by Wholeness to Freedom Ministries. She is also receiving counseling and attending an online Bible study! We are thrilled to see the transformation in her life and to hear that she is sharing her testimony with others in her new living environment.
