

Ministry Update

January 5, 2022

Happy New Year!

I am excited for the plans God has in store for Brevard County and for Love INC in 2022! God has faithfully blessed the ministry of Love INC with devoted partners, volunteers, and staff for the work of restoring individuals and families to a place of stability and flourishing.

Gifts from the Heart 2021 Report

Thank you to all that helped make the "Gifts from the Heart" Christmas shops a huge success once again in 2021!

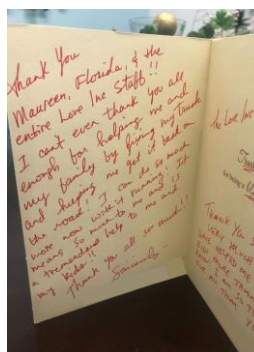

22 children from Love INC client families were blessed this year. Overall, parents from over **208 families** purchased gifts for their children, making it possible for **589 children** to receive three gifts each. Over **98 volunteers** priced and shelved toys, decorated the shop, assisted customers, assembled bikes, and wrapped gifts.

Client testimony: *"I didn't know how I was going to get my child anything that she wanted. The prices, the friendliness, and the gifts have made me feel very blessed."*

Featured Client

"I can't even thank you all enough for helping me and my family by fixing my truck and helping me get it back on the road! I can do so much more now with it running! It means so much to me and is a tremendous help to me and my kids!!"

Thanks to business partners like C&D Auto Center and Minton Road Service Center, we are able to assist clients in securing reliable transportation through auto repair. This is a key component in helping an individual or family achieve sustainability.
