

Ministry Update

March 7, 2022

Hello Ministry Friends,

February was an exciting and eventful month for Love INC! It was a blessing to bring together ministry partners representing churches, ministries, businesses, and nonprofits for our Annual Partnership Gathering. This event helps strengthen relationships amongst ministry partners and allows Love INC to energize our partners for the mission God has given us in Brevard County.

At this event, we recognized outstanding examples of service and love to those in need displayed by partner churches and businesses. We were glad to award business partner, Ablehouse LLC, Love INC's 2022 Servant Leader Award. This award is presented to a Love INC community partner that demonstrates compassionate care for afflicted members of our community by generously giving of their time and resources to love people in the name of Christ.

Ablehouse LLC

Elevation Melbourne

Elevation Melbourne was the recipient of Love INC's Good Samaritan Award! This award honors a local church partner marked by generosity and service to members of our community experiencing a state of need. Elevation Melbourne is known for their eagerness to love and serve Love INC clients and many others in the community as the hands and feet of Jesus.

Call to Pray/Praise/Evangelism – Report

Thank you for joining us in prayer and in witness concerning the Paranormal Cirque that visited Palm Bay in February. I am excited to report many ways God moved amongst us including 15+ people accepting Christ as their Savior, a miraculous healing of a man's back, and great unity amongst the Church in prayer, fasting, and evangelism.

Staff Update and Featured Client Story on back...

Staff Update – Help us welcome TWO new staff members!

James Fontenot is our new Programs Director. James will provide oversight to Love INC's client-serving programs and help develop and launch a curriculum-based program called Life Curricula.

Megan Starnes joins the Love INC team as our Operations Coordinator! In this role, Megan provides leadership in our office environment, assists with Human Resources, and provides general administrative support.

Featured Client:

We are currently journeying with a young man referred to Love INC by business partner TD Bank. This young man and his family relocated to Brevard County in need of housing and employment. The man started working at TD Bank but needed support to provide sustainable housing for his family. As a Love INC client, his mentor worked with Family Promise of Brevard to attain housing for his family. With their new apartment secured, furnishing was provided in part by a client voucher to shop at Village Thrift. Another blessing in the life of this young family was the opportunity to buy affordable Christmas gifts for their children through the Gifts from the Heart Christmas Shop. As we continue to walk alongside this young man and his family, we are encouraging him to participate in our Budget Mentoring course and to connect with a local church for further love and encouragement.

All of this is what Love INC was created to do. We help churches help people in need in life-transforming ways. We are a “transformational” ministry, not a “transactional” ministry. Thank you for praying for us, supporting us, volunteering with us, serving with us. “WE” are the Church, and it’s wonderful to show the love of Christ to others together. Without His Body, we do not exist.

In His Service,

Kristy L. Stuart, Executive Director
